EDUCATION

MARQUETTE UNIVERSITY
Electrical and Computer Engineering (Junior Standing, 2002)

MARQUETTE UNIVERSITY HIGH SCHOOL
Junior Complete, 2001

I cut my teeth as a retail sales engineer at Milwaukee PC and CompUSA where I led both organizations in sales revenue throughout my employment. As a people person I have a knack with connecting with customers, discovering their budget and closing them on a solution that meets their needs. For the past 20+ years I have been a software engineer/architect in client facing roles, seeking to return to my roots in sales

FIT SPECIALIST
Midwest Shoe Merchants | Brookfield, WI | 2026-Pres
Fit and consult with customers in a retail setting selling high end shoes and orthopedic inserts. Top insert salesman throughout employment thus far.

SENIOR SALES ENGINEER
CompUSA | Brookfield, WI | 2001-2002
I started in Software Sales and was quickly promoted to Hardware Sales as I demonstrated an ability to sell their warranty services. Working part-time I was the highest grossing team member in the region for service/warranty sales throughout my employment.

SALES ENGINEER
Milwaukee PC | Greenfield, WI | 1998-2001
Starting on the assembly line I was quickly promoted to sales as I went out of my way to help customers on my breaks. Specialized in design and quotation of custom solutions. Working part-time I was the highest grossing sales person in the company by a 7 figure margin over the nearly 3 years I was employeed.
