

ENTRY LEVEL SERVER/WAITSTAFF

Jason L. Lind

OBJECTIVE

As a seasoned, client facing, technology consultant who is facing an increasingly competitive job market I am looking for a, part or full-time, tip-driven server/waitstaff position at a Milwaukee Metro high-end eatery.

ABOUT ME

I am a foodie and scotch connoisseur, people person, and a fast learner with more than 30 years of professional experience, vast majority of which is client facing. Regular diner at various high end restaurants.

RELEVANT EXPERIENCE

SOFTWARE ARCHITECT

Shakers Cigar Bar & Hangman Tours | Milwaukee, WI | 2018-2019 & 2024-2025

Led SpotOn to Toast Migration for Shakers Cigar Bar and Peak to Checkfront Migration for Hangman Tours. Developed multiple internal and external applications and websites. Advised owner on business strategy and learned his perspective on the Restaurant Industry.

CHIEF SOFTWARE ARCHITECT

Mo's Restaurants | Milwaukee, WI | 2002

Developed Enterprise Restaurant Management System around the owner's vision and was mentored to understand the ins and outs of the hospitality industry.

SENIOR SALES ENGINEER

CompUSA | Brookfield, WI | 2001-2002

SALES ENGINEER

Milwaukee PC | Greenfield, WI | 1998-2001
